From the B870, which connects Glengolly south of Thurso with the A9 at Mybster, turn west at the minor road located approximately 800m north of the crossroads with the minor road, which connects Halkirk to the east. The minor road passes along the eastern shore of Loch Calder. Once parallel with the northern end of the loch there is a small car park to the east for fishermen. The viewpoint lies opposite the car park, on the western side of the road, close to the wooden seats.
