

Viewpoint 13: Dunnet Head

Grid Ref: 320519 976504 Distance to nearest turbine: 26.242km AOD: 126.67m

From where the A836 passes through the village of Dunnet, take the B855, which leads north and which is signposted for Dunnet Head. Follow the B855 which first forks right and then left and then continues on until eventually reaching the north coast. A car park is situated before the buildings at the very end of the road are reached. A choice of paths lead from the car park to the small hill to the south-east, where the viewpoint is located at the top marked by a circular stone structure of seats.
